Kerry J. Bickford, VOICES Editor

A great big welcome and thank you to our newest peer grief support group facilitator Don Lipstein! Don Lipstein, CBFRLC, ICFACC, is a grief focused professional that has been facilitating individual and group support through TAPS (Tragedy Assistance Program for Survivors) for over 10 years. Don has guided many of his clients out of the darkness into the light through his extensive passion for helping others find hope and healing. He founded Imagine Family Recovery in 2020 and is continuing to guide those suffering through their grief journey. Don does this work to honor the life of his oldest son, Joshua, who died by suicide in 2011 after a long battle with opioid use. Don will be facilitating a regular zoom grief support group the fourth Monday of every month
